

Hello Giver,

Welcome to the new online Giving Program.

Benefits of Online Giving to you:

- The ease of being able to sign up for, and to donate or pay for an event all in one place.
- Even when you're traveling or visiting family away from our four walls, our giving is with you through our website, the mobile giving app, or through text messaging to continue to faithfully give.
- We now even have the ability to set up recurring giving, meaning, you set the amount to want to donate to a certain fund, and it's automatic each month.
- You can login to your giving account and track your donations for the year. Use this for your taxes and set pledge goals for yourself. We welcome you to try our Online Giving

What do I do if I already have an online giving account?
